

SPECIAL EDUCATION: A Parent's Guide to Children's Success

By Michael Bailey; Introduction by Curt Decker

This is my new book on special education advocacy for families.

<http://www.pai-ca.org/Links/BaileyBook.jpg>

Although it is a discussion of IDEA and techniques for successful advocacy it also contains personal stories and real situations that are unique to those of us raising children with disabilities.

It will not be available in bookstores until June 3 but can be ordered now from the Barnes and Noble link below.

<http://search.barnesandnoble.com/BookSearch/isbnInquiry.asp?z=y&isbn=1424127955&itm=1> (If this whole link isn't hot please cut and paste into your browser)

Please forward this announcement to anyone you think appropriate.

Thanks for your support!!

Michael Bailey
