**ADVOCACY SCHOLARSHIPS ARE AVAILABLE
FOR CALIFORNIANS WITH DISABILITIES
TO ATTEND
ALTERNATIVES '10 CONFERENCE**

APPLICATIONS DUE AUGUST 10, 2010

Every year, there is a national consumer/ex-patient conference for current and/or former mental health clients. This year, the Alternatives '10 Conference will be **held in Anaheim, California from September 29 to October 3, 2010.**

Disability Rights California is providing up to 10 scholarships for mental health clients interested in attending the conference and sharing information with others.

If you or a client you know, would like to attend the Alternatives '10 Conference and need financial assistance, you may apply for an advocacy scholarship. This scholarship covers the registration fee, lodging, transportation costs to and from the conference, and a meal allowance for meals not included as part of the conference registration.

SELECTION CRITERIA:

Disability Rights California PAIMI (Protection & Advocacy for Individuals with Mental Illness) Advisory Council will review all applications. Preference will be given to individuals who have not attended an Alternatives Conference before. Individuals who wish to be considered for a scholarship must complete the attached application form and return to Disability Rights California no later than August 10, 2010. Those selected will be asked to provide the Disability Rights California Board of Directors with a description of what they learned at the conference, and indicate how they will share information learned with other clients in their community.
