## **IHSS FUNCTIONAL INDEX CUTS EFFECTIVE NOV. 1.**

The bigger cuts in In Home Supportive Services will come on Nov. 1, and people will get notices about these bigger cuts during the week of October 15. IHSS benefits to about 130,000 people statewide will be terminated or reduced based on their functional index rankings and score.

Most people do not know what their functional index rankings are, so we are encouraging clients to contact their IHSS worker in advance to request their rankings and score. We recommend that the client ask for a copy of their SOC 293 form.

Office of Client's Rights Advocacy (OCRA) will be holding a training at Alta to explain these cuts and what you can do about them.

Saturday October 24, 2009

Registration: 9:00 a.m. to 9:30 a.m.
