## **Ceremony of Remembrance September 21, 2009**

At 1:55 pm there will be a statewide moment of silence to honor those who died unrecognized at State Hospitals and Developmental Centers. By giving respect to people with developmental and mental disabilities who died anonymously, we are honoring the humanity of all of us. All are welcome.

The 9 ceremonies will be different, but each will feature memories of deceased residents by friends or family members, poems or songs, news about the California Memorial Project and light refreshments.
