Judge: Hon. John A. Mendez

Plaintiffs Leslie Napper, *et al.*, and Defendants County of Sacramento, *et al.*, advised the Court on November 22, 2010, that the parties had entered into an Interim Agreement. Docket No. 120. A copy of that agreement was attached to the filing the parties submitted in November. The parties now respectfully advise the Court that they have amended some of the terms of that agreement. Specifically, the County has requested and Plaintiffs have agreed that the expert retained by the County will have until April 30, 2011, to submit a final report. The County has in turn agreed that it will

1 maintain the status quo with regard to the County operated adult outpatient mental health
2 delivery system which is the subject of this litigation until July 1, 2011. The County has
3 further agreed that County staff, including the County Executive, will recommend to the
4 County Board of Supervisors that the status quo for this system should be maintained at
5 least until October 1, 2011. The County staff will be making this recommendation to the
6 County Board of Supervisors in June 2011 as part of the annual budget process.

7 The Court previously directed the parties to file an updated joint status report on or
8 before February 18, 2011. Docket No. 119. In view of these new developments, the
9 parties respectfully request that they be given an additional 90 days to Thursday, May 19,
10 2011, to file an updated joint status report.
