Your patient is an applicant/recipient of In-Home Supportive Services (IHSS) and is being assessed for the need for Protective Supervision. Protective Supervision is available to safeguard against accident or hazard by observing and/or monitoring the behavior of non-self-directing, confused, mentally impaired or mentally ill persons. This service is not available in the following instances:

(1) When the need for protective supervision is caused by a physical condition rather than a mental impairment;
(2) For friendly visitation or other social activities;
(3) When the need for supervision is caused by a medical condition and the form of supervision required is medical;
(4) In anticipation of a medical emergency (such as seizures, etc.);
(5) To prevent or control antisocial or aggressive recipient behavior.

Please complete this form and return it promptly. Thank you for your assistance in determining eligibility for Protective Supervision.
