In-Home Supportive Services Self-Assessment Worksheet

Domestic Services: For adults only. Children are not eligible to receive domestic service hours.

Domestic services are usually limited to 6 hours per month per household and divided by the number of people in the household. If you need more than 6 hours of domestic services per month because of the recipient's disability (e.g., more frequent bathroom cleaning due to incontinence, frequent dusting due to asthma, etc.), then mark the time needed in the columns below.

*** IHSS will pay for transportation time to get you to and from medical appointments, as well as wait time. To be paid for waiting at a medical appointment, the provider has to show that while they are at a recipient’s medical appointment, they cannot leave because they cannot predict how long the recipient’s appointment will take. For more information about transportation to and from medical appointments, and provider wait times at those appointments, see our IHSS Provider Wait and Travel Times publication, available online.
