Honorable Ed Hernandez
Chair, Health Committee
California State Senate
Capitol Building, Room 2080
Sacramento, CA 95814

RE: AB 1893 (MAIENSCHEIN) as amended April 9, 2018 – SUPPORT

Dear Senator Hernandez:

Disability Rights California (DRC), a non-profit advocacy organization that advances and protects the rights of Californians with disabilities, **supports AB 1893**. This bill is scheduled for hearing in the Senate Health Committee on June 6, 2018.

The federal Bringing Postpartum Depression Out of the Shadows Act passed in the House and Senate and was signed by President Obama as part of the 21st Century Cures Act in December 2016, which includes a section addressing treatment and screening for maternal depression. The legislation builds on state and local efforts toward helping women suffering from postpartum depression and offers federal funding to train health care providers to screen and treat mothers for maternal mental health disorders. This federal legislation recognizes the prevalence of women who suffer from maternal mental health disorders. In California, it is estimated that at least 100,000 women suffer from the disorder.

This bill would require the department to investigate and apply for federal funding opportunities regarding maternal mental health and to notify the Legislature, on or before January 1, 2020, on how the department's efforts to secure and utilize any federal funding it receives. This bill will move

California further toward providing more comprehensive maternal mental health services to women.

For these reasons, DRC supports this bill. Please contact me if you have any questions about our position or if I can provide any further information.

Very truly yours,

A handwritten signature in black ink, appearing to read "Curtis Child". The signature is fluid and cursive, with the first name "Curtis" and last name "Child" clearly distinguishable.
