RE: AB 1955 (LIMÓN) As Amended April 10, 2018 – SUPPORT

Dear Assembly Member Kalra:

Disability Rights California (DRC), a non-profit advocacy organization that advances and protects the rights of Californians with disabilities, **supports AB 1955**. This bill is scheduled for hearing in the Assembly Aging and Long-Term Care Committee on April 17, 2018.

AB 1955's Alzheimer's disease public awareness campaign will aid in early diagnosis and treatment. The bill will also reduce stigma related to the disease.

For these reasons, DRC supports this bill. Please contact me if you have any questions about our position or if I can provide any further information.

Sincerely,

Deb Roth
Senior Legislative Advocate
Disability Rights California
