Honorable Jerry Brown
Governor of California
Capitol Building, 1st Floor
Sacramento, CA 95814

**RE: AB 2180 (KALRA) as amended March 15, 2018 – REQUEST FOR
SIGNATURE**

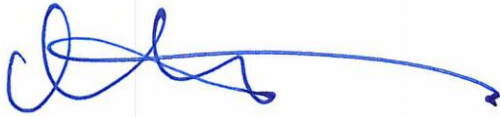

Dear Governor Brown:

Disability Rights California (DRC), a non-profit advocacy organization that advances and protects the rights of Californians with disabilities, **supports AB 2180 and requests your signature.**

The private long-term care insurance market has struggled to keep pace with the changing needs and preferences of policyholders. Different product types may be confusing and may not meet an individual's needs long after the initial purchase of the coverage and payment of premiums. AB 2180 will help create a better marketplace to serve those who choose private insurance for their long-term services and supports needs.

For these reasons, DRC supports this bill. Please contact me if you have any questions about our position or if I can provide any further information.

Sincerely,
