RE: HR 89 (FRAZIER) – SUPPORT

Dear Assembly Member Frazier:

Disability Rights California (DRC), a non-profit advocacy organization that advances and protects the rights of Californians with disabilities, **supports HR 89.**

HR 89 recognizes March 2018 as Developmental Disabilities Awareness Month. The measure also commends the efforts of the individuals and organizations that have worked diligently to increase the awareness of developmental disabilities, and celebrates and supports the diversity and capabilities of all our citizens, and particularly those who experience developmental disabilities.

Disability Rights California appreciates the recognition of Developmental Disabilities Awareness Month, as well as the advocates and leaders who have sought to bring people with disabilities into the conversation, including our organization, Arc of California, and the State Council on Developmental Disabilities.

For these reasons, DRC is proud to support this resolution.

Sincerely,
