PLEASE TAKE NOTICE THAT Plaintiffs Black Parallel School Board, S.A., K.E., and C.S. ("Plaintiffs"), and Defendants Sacramento City Unified School District, et al., and all of them (the "District") (collectively herein, "Parties"), through their respective counsel of record, hereby jointly move this Court for an extension of the stay of this litigation for an additional six months so that the experts engaged by the District pursuant to the Structured Negotiations Agreement may complete their work and the Parties may engage in agreed-upon structured settlement negotiations, as set forth below.

NOTICE OF JOINT MOTION AND JOINT MOTION

As the Parties jointly move for the requested stay and agree on the propriety and scope of same, the Parties do not believe argument or appearance is necessary for the Court to consider the requested further stay, but are prepared to appear if the Court so orders.

#### STATEMENT OF FACTS

The Parties hereby stipulate to the following facts:

- Plaintiffs filed their Complaint and initiated the instant action on September 5, 2019. (ECF No. 1).
- 2. Plaintiffs served the District with its Complaint on September 10, 2019, and filed the related Proof of Service on October 17, 2019. (ECF No. 7).
- 3. Shortly after Plaintiffs' service of the Complaint, the Parties engaged in communications to negotiate requesting a stay of this litigation for a designated period of time to allow the Parties to participate in good faith negotiations toward a potential global resolution of this action, thereby preserving the Parties' and the Court's time and resources.
- 4. On December 19, 2019, the Parties entered into a Structured Negotiations Agreement ("Agreement"). (See ECF No. 24 at 9-23). The Parties also filed a joint motion for a stay of litigation for the Parties to engage in agreed-upon structured settlement negotiations and sought Court approval of same, which the Court ordered and approved on December 20, 2019. (ECF No. 25).
- 5. The Court's Order required the Parties to submit status reports every 90 days during the

| 1        | period of the stay. To date, the Parties have filed two Joint Status Reports. (See ECF Nos.            |  |  |  |
|----------|--|--|--|--|
| 2        | 28, 31). As reported in the Parties' First Joint Status Report, a number of interim measures           |  |  |  |
| 3        | and/or actions under the Agreement had been completed as of the filing of the Parties' First           |  |  |  |
| 4        | Joint Status Report. (See ECF No. 28 at 3-5). As of the filing of the Second Joint Status              |  |  |  |
| 5        | Report, the District had completed two remaining interim measures: revising the District               |  |  |  |
| 6        | notice of suspension and executing service contracts with three subject matter experts. (S             |  |  |  |
| 7        | ECF No. 31 at 2-4).  |  |  |  |
| 8        | Pursuant to the Agreement, the Parties seek this Court's approval of a further stay of this            |  |  |  |
| 9        | litigation to afford the Parties time to complete the activities described in the Agreement including, |  |  |  |
| 10       | but not limited to, providing time to the subject matter experts to evaluate the District's programs,  |  |  |  |
| 11       | policies, and services and make recommendations that will inform potential resolution of this matter   |  |  |  |
| 12       | GOVERNING LAW  |  |  |  |
| 13       | This Court "has broad discretion to stay proceedings as an incident to its power to control its        |  |  |  |

| 15       | 248) (1936)). In fact,   |  |  |  |
| 16       | the power to stay proceedings is incidental to the power inherent in every court to control the        |  |  |  |

| 20       | Correspondingly, as this very Court has recognized, "[c]ourts have applied their discretionary         |  |  |  |
| 21       | authority to grant stays because it appeared that settlement discussions between the parties might     |  |  |  |

| 25       | REQUEST FOR STAY   |  |  |  |
| 26       | As outlined above, the Parties have successfully negotiated an agreed-upon structure for               |  |  |  |
| 27       | settlement discussions between the Parties, in the hope of reaching a global resolution of this matter |  |  |  |
| 28       | without the need for protracted litigation. The Parties now jointly move and request that this Cour    |  |  |  |

further stay this matter for six months so that the Parties may engage in the activities agreed-upon and outlined in the Agreement.

and discovery practice.

The Parties believe that a stay is justified because it will: (1) promote judicious use of the Parties' and Court's time and resources; and (2) offer the opportunity for speedy resolution and relief without protracted litigation, which is particularly critical where, as here, certain Plaintiffs are children and Defendants are governmental entities or officials. Given the Parties' negotiations to date, the Parties believe that a negotiated global resolution of this matter is viable, if given time to engage in the activities necessary to reach such a resolution. The Parties also agree that these activities would be significantly hindered if the Parties also had to engage in simultaneous motion

This stay will also allow the Court to have continuing oversight over the matter at hand. The Parties agree to keep the Court apprised of their progress by filing joint status reports. The Parties agree that the first status report will be presented to the Court 30 days after the date on which this stay is ordered. In that report, the Parties will update the Court on any amendments to the interim measures within the Agreement which the Parties have agreed to by that time; Plaintiffs have proposed certain additional and/or modified interim measures which the Parties are discussing and will continue to discuss. The Parties agree that a second status report which will include, as applicable, a further update to the Court regarding any amendments to the interim measures, will be presented to the Court 45 days after the date on which the first status report is filed, and the third status report will be presented 60 days after the second status report is filed.

Pursuant to the terms of the Agreement, any Party may withdraw from settlement negotiations with sufficient advance written notice. If that occurs, the Parties will inform the Court so that the Court may lift the stay accordingly.

#### CONCLUSION

Based upon the foregoing, the Parties respectfully move the Court to enter an order:

(1) Staying this litigation for all purposes for six months, including temporarily excusing the Parties from complying with this Court's Initial Pretrial Scheduling Order (ECF No. 4), so that the Parties can focus on and engage in structured settlement negotiations;
