

REGIONAL CENTER SERVICES

Regional center services and supports are directed towards the “alleviation of a developmental disability,” the “social, personal, physical, or economic” habilitation/rehabilitation, or the “achievement and maintenance of independent, productive, and normal lives”, which may include services and supports listed in Cal. Welf. & Inst. Code Sec. 4512(b). **This list IS NOT an exhaustive list.** Remember regional center is payer of last resort and requires use of generic resources whenever possible. See Cal. Welf. & Inst. Code Sec. 4659.10 & 4644(b).
