

## EMAIL SCRIPT

Dear **Assemblymember** [[Member's Name](#)]:

I am writing to ask you to please oppose SB 43, which threatens the civil rights of people with mental health disabilities. SB 43 is deeply harmful to the mental health community and will discourage people from seeking treatment. People are better served through community-based mental health services than in locked institutions.

[Add a personal statement here]

I will be watching closely to see what the Member does to protect the rights of people with mental health disabilities, and I will cast future votes accordingly. Thank you for your time and support.

Sincerely,

[your name]

## PHONE SCRIPT

Hello, I am a constituent of **Assemblymember** [[Member's Name](#)]:

I'm calling to leave a message for the Assemblymember to please oppose SB 43, which threatens the civil rights of people with mental health disabilities. SB 43 is deeply harmful to the mental health community and will discourage people from seeking treatment. People are better served through community-based mental health services than in locked institutions.
