Social Security Number: 123-45-6789

Dear Social Security Administration:

This is a request for you to provide me with a letter about information in my Social Security records.

The information I need is as follows:

- When I became entitled to Social Security. Please provide me with the date of Social Security eligibility and amount of my Social Security check.
- When I became eligible for Supplemental Security Income (SSI). Please provide me with the date of SSI eligibility and amount of my SSI check.
- When I was last eligible to receive both Social Security and Supplemental Security Income (SSI) in the same month. Please include the month, year and amounts of each check.
- Information about why I lost my SSI benefits (e.g. SSI terminated due to increase in Social Security benefits or because I became eligible for Social Security and on who's work record.)
- Information about how much I receive in Social Security benefits.

I need this information so that my county social services office may determine my eligibility for Disabled Adult Child and/or Pickle Medicaid benefits.

Sincerely,
