## Petitions for Restoration of Sanity

---

*October 2011, Pub #5453.01*

Attached are examples and samples of a Petition for Transfer to Outpatient Treatment, and supporting Declaration, to assist you in petitioning the court for a restoration of sanity hearing under California Penal Code Section 1026.2. The examples are documents that have blank lines where you should fill in your name and other information relating to your own request for outpatient treatment. The samples tell you what information you should include on those blank lines. Also attached is an example of a Petition for Writ of Mandate, which you can use to ask the court to schedule a restoration of sanity hearing if it fails to do so after you file your petition.

You can petition for a restoration of sanity hearing after you have been committed as Not Guilty by Reason of Insanity for more than 180 days. Although the attached documents can be used as guidelines, we recommend that you contact your defense attorney for assistance in filing a petition for a restoration of sanity hearing.
